- Dimensions: 4 ½" L x 1 3/16" W

25W, 120 V-	H-CT1S-0025-0120-0000
50W, 120 V-	H-CT1S-0050-0120-0000
75W, 120V-	H-CT1S-0075-0120-0000
75W, 240V-	H-CT1S-0075-0240-0000

100W, 120V	H-CT1S-0100-0120-0000
100W, 240V	H-CT1S-0100-0240-0000
150W, 120V	H-CT1S-0150-0120-0000
200W, 120V	H-CTIS-0200-0120-0000

## FLANGED CARTRIDGE / PANEL HEATER

- Built in mounting flange
- Flange size – 2.5" wide and 3" high
- Holes for mounting screws provided
- Overall length of 6"
- Voltages – standard 120 or 240 volts (Other Voltages Available)
- Wattages – standard wattages of 50 or 100 watts (custom heaters available)

50W, 120V..... H-CF22-3BCD-0050-0120  
100W, 120V..... H-CF22-4BCD-0100-0120

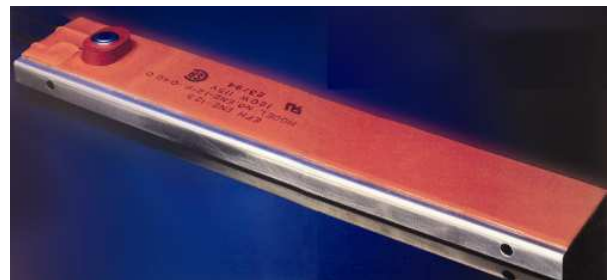

### SNAP-DISC CONTROL PANEL THERMOSTAT

Thermostat Fixed Setting closes at 35°F – Opens at 45°F

H-TSDR-DPC3-0525-0000  
See section 5 for more thermostats

### SILICONE CABINET HEATERS

- Factory vulcanized to a 0.040" thick aluminum plate.
- Durable silicone rubber construction
- UL and CSA recognized

More Silicone Heaters details in section 4
