

Aerosol Mold Protection Products

SafeKlean Mold Cleaner

Made for use at the press, SafeKlean is safe to use for food packaging. Contains no CFC, HCFC or class 1 or 2 substances. It cleans with minimal wiping and has a natural orange scent. Comes with add-on spray tube.

- Works great as a penetrating oil to loosen stuck nuts and bolts.
- Cleans contacts and switches.
- Non-conductive – Great for cleaning motor windings.
