

Pipe Insert Heater

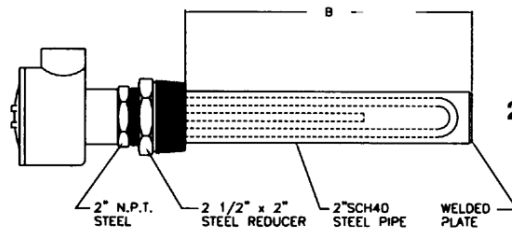

Features:

- 2 1/2" steel screw plug includes pipe well up to 600 volts
- optional "K" type High Limit Thermocouple
- optional Auto-Reset High Limit
- Weather Resistant Terminal Box
- (specify voltage when ordering)
- (specify 1 or 3 phase when ordering)

Typically to Heat:

- asphalt, tar, starch, glucose, sugar, large storage tanks, corrosive liquids

2 1/2" NPT Screw Plug Mounting
