

LOW COST BRASS SCRAPERS

Solid, spring tempered brass scrapers are non-scratching, non-sparking and non-magnetic. They have sharpened front edges, tough nylon handles and brass grommets.

- 1/4" / 31.75mm wide scraper
 - Overall Length: 7 3/4" / 197mm
 - Blade Length: 3 5/8" / 92mm
- H-ACDR-0012-8196-0000**

- 2" / 50mm wide scraper
 - Overall Length: 7 3/4" / 197mm
 - Blade Length: 3 5/8" / 92mm
- H-ACDR-0012-8197-0000**

- 3" / 76mm wide scraper
 - Overall Length: 8" / 200mm
 - Blade Length: 4 5/8" / 117.5mm
- H-ACDR-0012-8198-0000**

- 2 1/2" / 63.5mm wide 5 in 1 scraper
 - Overall Length: 7 1/4" / 184mm

HEAVY DUTY GATE CUTTERS

These gate cutters are drop forged from alloy steel, precision machined and carefully heat treated to ensure sharp durable edges. They feature flat back blades for clean, flush cuts.

Best of all, they're inexpensive enough to be disposable when blades become dull!

Size	Part #
5"	H-ACDR-0013-0592-0000
6"	H-ACDR-0013-0593-0000
7"	H-ACDR-0013-5394-0000
