## Bathroom Accessories

### CQ-1000 Shower Filter

Our CQ-1000 de-chlorinating shower filter contains specially formulated KDF® filter media that effectively removes 90% or more of chlorine from shower water.

Because of this superior chlorine removal, you will see changes in the way your hair and skin feel including...

- Healthier, younger-looking skin
  - Softer, more manageable hair
  - Relief from dry skin & scalp
  - Less fading on colour-treated hair
- CQ-1000 w/ 3 position massage head  
 CQ-1000 w/ Chrome over brass head  
 CQ-1000 (no shower head)  
 Replacement Filter

### CQ-1085 Shower Filter

#### KDF 85 Shower Filter

Our CQ-1085 shower filter contains specially formulated KDF 85 filter media that effectively reduces chlorine and is superior in chloramine reduction. Because of this superior contaminant reduction, you will see changes in the way your hair and skin feel including...

- Healthier, younger-looking skin
- Softer, more manageable hair
- Relief from dry skin & scalp
- Less fading on colour-treated hair

KDF 85 is 15% zinc and 85% copper which also removes iron and hydrogen sulfide from municipal or other water supplies. Also controls scale, bacteria and algae.

Replacement Filter: **W-ACCS-RCQ0-KD85**

### The Crystal Ball

#### Bath Dechlorinator

When water comes in contact with the media filaments inside the fabric pouch, the chlorine ions in the water are converted into a harmless chloride.

Quartz crystals mixed with the media filaments reduce the molecular structure of the water into smaller clusters, thereby allowing enhanced lathering of soap.
