

## Whole House Filter Systems

These Whole House Systems are designed to fit 4½" Diameter Big Blue housings available in 10" or 20" lengths. The PVC plastic ball valves allow for a quick and easy filter change when needed.

Part #	Pressure Relief Buttons	Port Size	# of Housings	Housing Size
<b>W-SYST-7520-1025</b>	1	¾"	1	2½" x 20"
<b>W-SYST-7510-1045</b>	1	1"	1	4½" x 10"
<b>W-SYST-7520-1045</b>	1	1"	1	4½" x 20"
<b>W-SYST-7510-2045</b>	2	1"	2	4½" x 10"
<b>W-SYST-7520-2045</b>	2	1"	2	4½" x 20"
<b>W-SYST-7510-3045</b>	3	1"	3	4½" x 10"
<b>W-SYST-7520-3045</b>	3	1"	3	4½" x 20"

All systems available in ¾" inlet & outlet

These Whole House Systems are designed to fit 4½" Diameter Big Blue housings available in 10" or 20" lengths (single sump also available in 2½" x 20"). The PVC plastic ball valves allow for a quick and easy filter change when needed. Should your system performance be reduced, the 100 P.S.I. pressure gauges allow you to identify the location of the potential blockage.
