

## 3M Whole House Filter Systems

- 304 stainless steel head allows for “sweat in place” installation and is a non-corrosive material
- 1” inlet and outlet connections for easy installation and high flow rates up to 20 gpm
- Tested and rated to 20 gpm flow rate, meeting most residential and light commercial applications
- Sanitary Quick Change (SQC) design, an industry first for this application, allows for fast and easy cartridge change-outs without the need of a filter wrench
- Rated for 100,000 gallons or one year of normal water conditions, reduces inconvenient and frequent cartridge change-outs
- 10 year limited system warranty
- 25 year limited stainless steel head warranty
- Comes with applicable filter
- 5 Micron Nominal

AP902: **WCUWH-0562-1101**  
For sediment reduction

Replacement Filter: **WCUWH-5621-0010**

AP903: **WCUWH-0562-1102**  
For sediment, chlorine, taste and odour reduction

Replacement Filter: **WCUWH-5621-0030**

## 3M Aqua-Pure AP Easy CS-FF

Multi-stage filtration for longer life, higher efficiency and cost-reduction.  
Reduces sediment and chlorine taste and odour from your drinking water  
Connects directly to any kitchen or bath sink faucet  
Sanitary “Quick Change”, no spill, no mess cartridge change design  
NSF third party tested and certified

- 3/8” Fittings
- 2000 Gallon Capacity  
(capacity may vary based on water conditions)

System: **WCUC0-APEZ-CSFF**  
Standard Filter Replacment (NSF 42): **WCUC0-APEC-CSFF**  
Cyst Removal Filter (NSF 42 & 53): **WCUC0-APEC-CCSF**

Tested in accordance with NSF/ANSI Standard 42 for particulate reduction and chlorine taste and odour.
