

## Filter Housings

### 4½" x 10" Heavy Duty Housing

The 4½" x 10" Heavy Duty Housing is for use with smaller whole house systems and filter systems requiring a more robust housing. Constructed from 100% FDA Food Grade polypropylene, these housings are suited for use up to 120 psi. These Housings use a large bracket and large "O" rings.

Part #	Thread Size	Sump Colour	Cap Colour	Special Features
W-FHFF-4510-P613	¾"	Blue	Black	N/A
W-FHFF-4510-P813	1"	Blue	Black	Pressure Relief
