Ozone Generator

Ozone's (O₃) effects come when the third oxygen atom is released and allowed to oxidize and destroy bacteria, viruses, as well as other organic matter in the water. 3/8" Ports, 2500 Gallon max capacity.

Keeps your tank free from bacterial build-up

Suitable for both drinking water & Hot tubs

Ozone System: **W-SYST-SCOZ-0000**
 Replacement Bulb: **W-SYST-S330-ROLO**
 Replacement Ballast: **W-FUV0-BLST-BAC1**
